About Us

We, **Om Trading India** are one of the highly appreciated enterprises engaged in Wholesale, Supplier and Trader of **Solvent Ink, Sublimation Inks, Solvent Printer Machine and Solvent Printer Spare Parts**. Our offered range is very much appreciated by respected clients for its weather resistance, optimum formulation and longer life. Consumers can acquire these products from us as per their requirements. All products are designed at merchants unit by using latest technology and optimum quality raw material that is acquired from trustworthy dealers of the market. We have established large infrastructure unit that is proficient in making delivery of products at client's premise in time. Products offered are extensively demanded in various printing work and other commercial places.

All offered products are precisely made and have longer shelf life. Our well-established allocation unit is equipped with the most up-to-date tools and other accessories to offer these products on time. Our team consists of skilled professionals who have deep knowledge and are proficient in providing these products in time.

Under the supervision of our mentor **Mr. Deepak Gupta**, his skills and information have made for us a known place in this industry due to which we are very much demanded in the countrywide marketplace.
